

## About Bancroft

Bancroft is a leading regional provider of specialized services and supports for people with autism, intellectual or developmental disabilities, brain injuries and neurological conditions, with a specialty in serving those with severe autism, intensive behaviors, and co-occurring medical conditions.

Through innovative programs and spaces designed specifically to meet the needs of those with autism, including the flagship Raymond & Joanne Welsh Campus in Mt. Laurel, NJ, Bancroft provides a comprehensive range of services and support aimed at unlocking the full potential of each individual, and meeting needs that change across the lifespan. Programming includes special education, employment services, structured day programs, residential treatment programs, community living programs, and behavioral supports.

**Established in 1883, the nonprofit organization is headquartered in Cherry Hill, NJ.**

## Support Bancroft

Every child or adult with a disability deserves a fulfilling life. As a non-profit service provider, our dedication to maximize the potential of each person in our care is at the forefront of all we do. Support from donors, corporations and volunteer efforts bring this dedication to a new level, reinforcing the importance of their place in the world. Giving is integral to the success of each person in our care.
