

Bancroft®  
One world. For everyone.

# Career Exploration & Lifelong Learning

## Day Program and Employment for Adults

We offer a comprehensive range of individualized support and services giving every person the opportunity to live a productive, fulfilling and meaningful life. The program is designed to meet each person's needs through continued functional learning, whether it's building basic skills and independence through day program services or matching individuals with meaningful employment in the community.

# Providing Real-World Career Opportunities

## Employment Program

Designed to empower each person to live their best life through developing skills, identifying interests, and securing employment opportunities.

## Transitional Employment

Designed for individuals who are working towards pursuing independent employment in the community.

- Small group training
- Job-specific skill building
- Social and life skills

## Supported Employment

For those who are ready to pursue independent employment.

- Resume writing
- Interview preparation
- Job searching
- On-the-job training

# Supporting Individual Goals
